The Legacy Lives On

[La Raza Centro Legal](#) is a Multicultural community social justice center based in the Mission District of San Francisco. Born out of the Civil Rights and Chicano movements of the 1960's and 1970's, La Raza Centro Legal was founded in 1973 by Latino law students to fill a gap in the availability of economically and culturally accessible legal services for the Bay Area's Latino population. After 42 years, we continue to empower Latino, Immigrant and low-income communities of San Francisco to advocate for their civil and human rights.
